Introducing Quality Design's Referral | Rewards...

---

*Maybe* you are extremely satisfied with the work we have performed for you.

*Maybe* you just know we are all around nice guys, who do excellent work.

*Maybe* you are a relative and are *forced* to think we are all around nice guys.

No matter which category you fall into,  
we appreciate your help in telling others about us.

Oh Yeah!      Refer a friend and make \$1000 or more.

Here is the Referral | Rewards Simple Process...

---

If you refer a new client to Quality Design, and that client goes into a contractual agreement with Quality Design, you will receive a gift the equivalent of one half of one percent (1/2 %) of the contracted base bid amount, with a minimum gift of \$100.

For Example; if the project is contracted at \$1 million, your gift will be \$500. If the project is contracted at \$4 million, the gift will be \$2000, etc.

If you need a high quality brochure to help communicate how we benefit our customers,  
we can send some your way.

## Fine Print

---

Referral|Rewards is only open to those whose job description duties do not include normal Quality Design job procurement. Referrals must be new customers. Referral|Rewards applies only to the commercial construction division, and projects contracted above \$10,000. Reward payment will be issued after the first construction payment has been made. Quality Design reserves the right to change this program at any point in time without notice. Quality Design also reserves the right to be extremely generous and give away way more than the calculated amount.
